## Personal Information

Hi there! I'm Yash, a passionate and ambitious programmer ready to conquer the tech world. Despite being new, my hunger for learning and creativity drive me to explore various coding languages and frameworks. Challenges excite me, as they lead to growth and improvement. Collaboration is key, and I value diverse perspectives in every project. I'm eager to make my mark and showcase my dedication. With an open mind and unwavering commitment, I'm set to embark on an exciting journey of growth and success in programming. Get ready to witness my rise!

## EDUCATION

### 2018 **Care International School**

I completed my secondary school examination from Care International School, situated in Jaipur, Rajasthan, and achieved 81% in 10th grade.

### 2021 **New Bright Future School**

I completed my senior secondary school examination from New Bright School, situated in Jaipur, Rajasthan, and obtained 72% in XII<sup>th</sup> grade. Unfortunately, due to the COVID-19 pandemic, I wasn't able to take the final exams, and as a result, they passed me directly.

### 2024 **MAISM College**

Currently, I am studying at Maharshi Arvind Institute of Science & Management, pursuing the BCA course, and I am expected to graduate in 2024.

## SKILLS

Communication Skills

Adaptability

Continuous Learning

single-minded determination
